NPDES Permit No. NH0001473
Compliance Notification

To Whom It May Concern:

Please allow this to serve as GSP Schiller LLC's notification to the U.S. Environmental Protection Agency that the company has finalized the wedgewire screen pilot testing design and obtained and installed all equipment required to complete the pilot testing. This work was completed prior to January 1, 2019, in accordance with Part I.A.11.b.1.i. of NPDES No. NH0001473, which was issued on April 6, 2018, and became effective July 1, 2018.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Sincerely,

Elizabeth H. Tillotson,
